

# Arena Sports

Driver Box

Driver Box In-Situ

## PRODUCT DESCRIPTION

The Arena Sports Flood has been designed to utilise the very latest in high efficiency Samsung LED chip technology and has an impressive output of 130lm/cw and 175000 delivered lumens overall.

Construction is from a precision one-part Die cast housing for optimum thermal performance, output is controlled and directed with Alanod™ MIRO-Silver Reflector designed to maximise lumen efficiencies and put light where it's needed.

The Arena Sports Flood is a high performing Multi-Die LEDs flood for direct replacement of 1 KW and 2KW floodlights and is flicker-Free, Suitable for slow motion & HDTV.

## FEATURES

- IP66** Ingress Protection
- 4000k** Colour Temperature
- IK8** Impact Protection

## LED PERFORMANCE

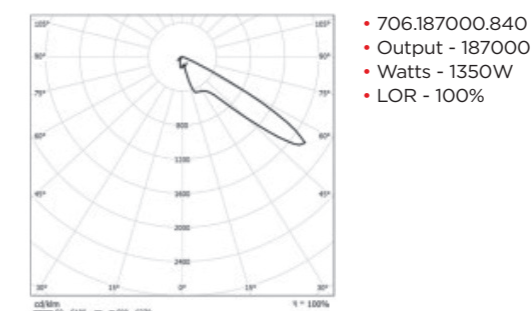

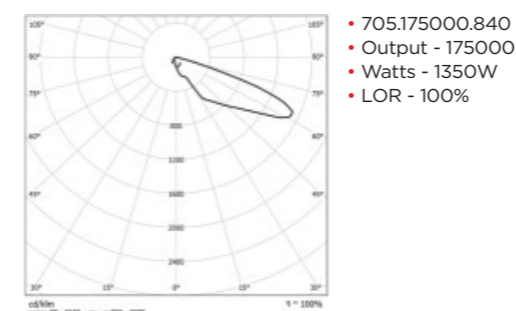

25° Ambient Temperature	L70/B50
Arena Sports	100,000

L' Value = % of initial Lumens maintained after specified time  
B' Value = % of fittings failing to meet operational expectations after specified time
