

PRODUCT DESCRIPTION

Elevate your space with the AXIS, a decorative LED wall light that seamlessly blends sophisticated style with versatile illumination. This sleek fixture boasts bi-directional light output, featuring opal acrylic diffusers that deliver soft, even light both upwards and downwards.

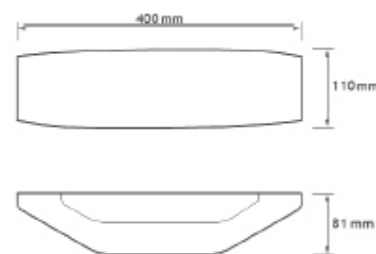

Offering superior flexibility, the AXIS allows for vertical or horizontal mounting to perfectly complement your space. Choose from the standard white finish or upgrade to black or grey for a bolder look.

The AXIS comes equipped with an integral TRIDONIC LED driver for simplified installation and offers optional emergency lighting capabilities for added peace of mind. Backed by advanced short circuit, overload, and temperature protection and a 5-year warranty, the AXIS is the perfect choice for corridors, hallways, entryways, living rooms, bedrooms, and more.
