Black/White

## PRODUCT DESCRIPTION

The BRIXTON SINGLE is a recessed adjustable gimbal downlighter with an output of up to 134 lm/cw and 3200 delivered lumens overall.

Featuring an adjustable tilt of up to 80 degrees in any direction, the BRIXTON comes standard with a specular 40° general beam reflector. It offers three beam angle options and is available with one, two, or three gimbal housings. Built with a Tridonic SLE LED module and driver system, the BRIXTON provides exceptional versatility to meet a wide range of accent lighting needs.

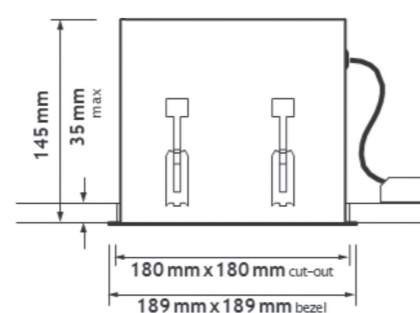

The BRIXTON is ideal for retail, restaurants, architectural, commercial and exhibition lighting.

Supplied in white as standard with three other options available.

## FEATURES

- Ingress Protection
- Colour Temperature
- White
