395.2500.840	20	2500	4000	125
395.3300.840	27	3300	4000	122

## PRODUCT DESCRIPTION

The NOVA LED offers both stunning design and exceptional performance. This versatile luminaire functions as either a surface-mounted downlight or a suspended pendant, providing you with design flexibility.

The NOVA boasts a sleek, cast aluminium body that not only complements any modern aesthetic but also ensures excellent thermal management, maximizing the lifespan of the latest LED technology. A precisely designed faceted reflector delivers a comfortable, low-glare 40° beam spread, perfect for illuminating reception areas, general circulation spaces, and commercial settings.

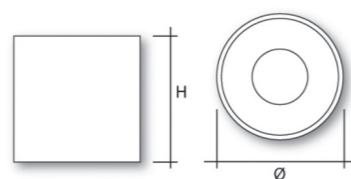

Despite its sleek design, the NOVA delivers an impressive output of up to 129 lumens per watt (Lm/W), translating to a total of 3300 lumens. This translates to significant energy savings without compromising on brightness. Additionally, the NOVA comes in a range of outputs, allowing you to tailor the lighting to your specific project needs.

The NOVA LED downlight seamlessly blends modern design with high performance, making it a perfect choice for a variety of commercial applications.

## FEATURES

- Ingress Protection
- IP20**
- Colour Temperature
- 4000k**
- W** White

## DIMENSIONS

	mm
H	172
D	168
KG	1.00

## PRODUCT OPTIONS

Correlated colour temp  
suffix .830

Dali  
suffix .D1

Black Finish  
suffix .B

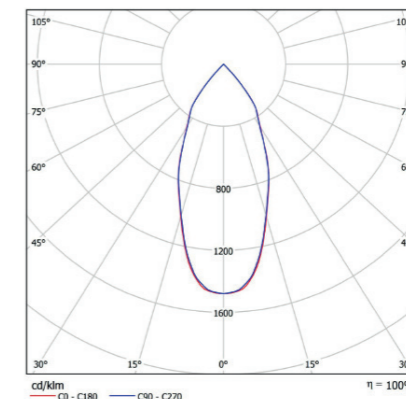

Suspended version  
suffix .SUS

## LED PERFORMANCE

25° Ambient Temperature	L80/B10
NOVA	60,000

L' Value = % of initial Lumens maintained after specified time  
B' Value = % of fittings failing to meet operational expectations after specified time

## PHOTOMETRIC PERFORMANCE

- NOVA
- Output - 1813
- Watts - 13.5
- LOR -100%
